1. INTRODUCTION

1.1. Objective

The main objective of the establishment of the Blue career Centre (BCC) of East Med - Black Sea representation in Bulgaria is to set up a legal entity, acting as a career information centre at national level in the field of marine and maritime “Blue Growth” sectors, as well as being part of the “Blue Career Centre (BCC) of the East Med-Black Sea” (MENTOR) network, to provide the opportunity of career exchange within the region and exchange of information amongst the partners.

The concrete activities carried out for the establishment of the representation in Bulgaria were in line with the activities of WP4 including the following:

- Meetings and consultations with potential Members originating from many different settings, such as educational institutions (at the elementary, secondary and post-secondary levels), libraries, businesses, government and community organizations, students enrolled in career counseling or career information programs, as well as private practitioners in the field of career development;
- Legal advice and services for the best legal option/form of the BCC MENTOR;
- Drafting the Articles of Association, Operational procedures;
- Legal services for submitting application/documentation to the competent legal authorities
- Design and setting up of the organization structure, extroversion and communication strategy, tools and openness of the BCC MENTOR towards the target groups. This will be achieved through various activities and communication channels.

2. Preliminary Activities

The team of Marine Cluster Bulgaria (MCB team) initiated preliminary/preparatory meetings with representatives of various groups of potential members in order to explore the opportunity to identify people willing to commit to the BCC activities. Options were discussed, and it was decided further to receive professional advice from a lawyer regarding the legal form of the new entity.

The case has been explained to the provider of legal services, selected on the basis of experience in the field.

In accordance to the national law and the statute of Marine Cluster Bulgaria, the lawyer proposed some options regarding the establishment of the BCC, which have been discussed among the MCB members of the Board and the MENTOR team.

It is important to mention that any participation of MCB in a company/association, etc. should be as result of the MCB General Assembly decision, according to the Statute of the organization. On this ground a General meeting was hold on the 21st of June 2018.

Under item 7 of the approved agenda, the General Meeting of the Marine Cluster Bulgaria on the grounds of art. 20, item 4 of the Statute of the Association and for the fulfillment of the objectives of

the project "Blue Career Centre of Eastern Mediterranean and Black Sea - MENTOR" takes the following decision:

"Marine Cluster Bulgaria to participate in the establishment of a separate non-profit association. He appoints the Chair of the Management Board as a representative of Marine Cluster Bulgaria in the governing bodies of the future association and instructs him to perform all necessary actions related to the establishment and registration of the new association."

3. Activities towards the establishment of BCC-Bulgaria

Following the decision of the General Assembly of Marine Cluster Bulgaria, further consultations have been performed, the statute of the BCC has been drafted, discussed, amended and updated. The accepted version has been presented to the founders of the new NGO. The Constituent Assembly of the non-profit Association "Blue Career Centre (MENTOR)-Bulgaria", held on the 14th August 2018, took the following decisions:

1. Establishment of a legal entity "Blue Career Centre (MENTOR)-Bulgaria", as a non-profit association, acting in private benefit;
2. Adopts the Statute of the Association;
3. Elects the first Managing Board of the BCC-Bulgaria and Chair of the Board.
4. Authorizes the elected Chair of the Managing Board to undertake the procedures for the registration of the BCC-Bulgaria

In accordance to the national law, the constitutors of the BCC are seven: one legal entity (Marine Cluster Bulgaria) and six natural persons. The elected Board consists of three members, one of them being elected as a Chair of the Board.

With regards to the decision of the Constituent meeting of BCC, the elected Chair of the Board, following the legal advices, prepared all needed documents to be sent to the Electronic Register of Non-Profit Legal Entities at the Ministry of Justice.

The "Blue Career Centre (MENTOR)-Bulgaria" has been successfully registered on the 22nd of October 2018 with UIC/PIC 205356130, seat at Varna and head-office address: No. 1, "William Froude" Str., 9003 Varna.

4 Results/Outcomes

The "Blue Career Centre (MENTOR)-Bulgaria" has been successfully registered on the 22nd of October 2018 by the Registry Agency at the Ministry of Justice <http://www.brra.bg>.

In summary, the main provisions of the Statute are as follows:

According to the Statute of BCC-Bulgaria:

- Member of the Association may be any legal entity or natural person, who shares the objectives of the ASSOCIATION and the means to achieve them.
- The Management Board consists of three persons – members of the ASSOCIATION. Legal entities that are members of the ASSOCIATION may also appoint as members of the Management Board persons who are not members of the ASSOCIATION. Each Management Board of the ASSOCIATION must obligatorily have as a member of the Board the person designated by “MARINE CLUSTER BULGARIA”.
- The members of the Management Board shall not be entitled to remuneration.
- The sources of funds for the ASSOCIATION are: donations by natural persons and legal entities, sponsorship, business activity provided by the present Statute, projects implemented under programs funded by national and international funds and treaties.

The provisions mean that the Association’s supreme body is the General Meeting/Assembly, consisting of all members. The Management Board of the Association is its governing body. As the initiative and the leading role were carried out by Marine Cluster Bulgaria, a representative of MCB (appointed by MCB) must be a member of each Managing Board of the BCC-Bulgaria.

To achieve the main objectives, the BCC-Bulgaria will perform activities mainly in the fields of promotion and support of research, education and training in the blue economy sectors, publishing and distributing of promotional materials aiming at the improvement of professional skills and competences, organizing seminars, workshops, conferences and similar events to promote career development and increase the interest towards the blue sector in the Black sea and Eastern mediterranean regions. BCC-Bulgaria will collaborate and exchange information within the BCC-centres (Mentor network) and it is expected to establish fruitful partnerships with similar organizations.
